## Explanations of the Symbols

I can provide directions for lost Moggers.

I can give advice on where to go/rror what to do in my area.

I can provide a place to temporarily park a broken Mog.

I have some appropriate tools to repair broken Mogs.

I can supply some advice on how to fix a broken Mog.

I'll give you some hands-on help fixing your broken Mog.

I want to be called by, and potentially meet, Moggers who are "passing through" my area, even when they don't have any problems.
